

This year I will be participating in the Ride to Conquer Cancer. I will be riding 200km over 2 days helping get closer to eradicating cancer once and for all. To participate in this event I need to raise \$2500. So please do what you can and join the fight to find a cure. The links below will take you to my home page where you can make a donation and get a tax receipt.

I thank you in advance for your support.
